Lyrics by Charles Wesley

Vs 1

G C/G Em D/F#
Depth of mercy can there be
G C/G Em D/F#
Mercy still reserved for me
G C/G Em D/F#
Can my God His wrath forbear
G C/E G/D D G
Me the chief of sinners spare

I have long withstood His grace
Long provoked Him to His face
Would not hearken to His calls
Grieved Him by a thousand falls

Chorus

D C G
Now incline me to repent
D C G
Let me now my sins lament
D C G
Now my foul revolt deplore
Em D G
Weep, believe, and sin no more

Vs 2

I my Master have denied
I afresh have crucified
Oft profaned His hallowed name
Put Him to an open shame

Chorus

Bridge

There for me the Savior stands
G/B Am G D
Shows His wounds and spreads His hands
